Silva is a documented member of the El Monte Flores street gang. He has an extensive adult criminal history that began at the age of 19 and includes vehicle theft, assault with a deadly weapon, grand theft auto, multiple convictions for evading police officer with disregard for public safety, possession of a dangerous weapon, felon in possession of a firearm, possession of a blank check to fraud, possession of burglary tools, possession of controlled substance, violations of parole, and violation of supervised release. Silva has served six prison terms, the longest being 48 months for evading police with disregard for public safety. He was released most recently, to the supervision of the Los Angeles County Probation Department on 03/26/2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in September 2013 after Silva absconded from post release community supervision (PRCS). Silva qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for evading police officer with disregard for public safety is defined as non-serious and non-violent under the California penal code. His prior criminal history, status as a gang member, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
